### French Connection

In May, we hosted around 50 visitors from our French twin town of La Loupe. The weekend was a massive success, with a barbecue reception, a trip to Sandringham, a naming ceremony and a joint concert. A return visit is already planned for the 2018 Easter weekend (see below under “[Next up....](#)”).

## Spanish Link

A small group from Royston visited the Spanish twin town of Villanueva de la Cañada for their festival of San Isidro in May. A contingent from Villanueva de la Cañada overcame transport challenges and made a return trip to Royston in September to coincide with Royston Arts Festival.

## Richtung Royston!

In October, a 30-strong group from Royston (including members of Royston Town Band) visited the German twin town of Großalmerode. During the trip, a new road sign directing visitors to Royston was presented to officials, including the Bürgermeister.
